Location:	**Hybrid meeting** IRG Premises 14 Rue de la Science, Brussels
Date & Time:	24 November 2026, 10:00 – 16:00 CET
WebEx Link	TBD

24 November 2026

As part of its work programme 2026, BEREC organises the external workshop:

"Equivalence of Inputs by NRAs"

BEREC organises this external workshop to hear the different views on the subject from the relevant stakeholders. BEREC also aims to get insights and views regarding the relationship between Equivalence of Input (EoI) and Equivalence of Output (EoO) in practice, as well as the impact on market dynamics
