EUconnectivity

BEREC Stakeholder Forum 2026

14 years of dialogue

Alejandra de Iturriaga

BEREC Chair 2027

31 MARCH 2026

MAISON DE LA POSTE, BRUSSELS

A Sector in Transformation

Digital Networks Act

Technological evolution

The choices we make today will shape
Europe's digital future!

Technologies Shaping the Future

AI-enabled networks

Cloud-to-edge continuum

Satellite–terrestrial convergence

Programmable network capabilities

Strategic Priorities

Full connectivity and the Digital Single Market

Competition-driven and open digital ecosystems

End users

Sustainable, secure and resilient digital infrastructures

BEREC's capabilities and improvement

Considerations for the WP2027

- **Mandatory tasks stemming from EU legal framework**
- **Recurring work**
- **Carry overs 2026-2027**
- **International and Institutional Cooperation**
- **Flexibility for tasks that may arise**

BEREC Work Programme 2027

Call for Input – open until 15 April

Draft programme – October

Adoption – December

We look forward to hearing from you!
