

Dragana Šćepanović, Spec. Sci. in Electronics, Telecommunications and Computer Engineering

Acting Director of the Agency for Electronic Communications and Postal Services of
Montenegro (EKIP)

Podgorica, Montenegro • Telephone: +382 67 094 444 • E-mail: dragana.scepanovic@ekip.me

PROFESSIONAL SUMMARY

Specialist of Science in Electronics, Telecommunications and Computing with over 17 years of professional experience, including more than 16 years in regulatory and professional roles at the Agency for Electronic Communications and Postal Services and 12 months of traineeship in technical measurements and calibration at the Institute of Metrology of Montenegro.

Extensive experience in regulatory operations, radio frequency spectrum management, technical supervision and senior management, including service as Acting Director of the Agency for Electronic Communications and Postal Services of Montenegro. Expertise in technical and regulatory frameworks, complex oversight processes, international cooperation and EU integration, including the transposition of the EU acquis. Active participation in key interinstitutional and national bodies responsible for national security, European integration and strategic planning.

EUROPEAN INTEGRATION & INTERNATIONAL AFFAIRS

- **BEREC Contact Network:** Official EKIP contact representative fostering regulatory alignment and information exchange with EU member state national regulatory authorities (NRAs).
- **Chapter 10 Negotiating Working Group:** Key member responsible for aligning Montenegrin legislation with the EU acquis in Information Society and Media, focusing on electronic communications market regulation.
- **EU Single Roaming Space:** Participated in drafting the gap analysis and overarching regulatory framework enabling Montenegro's integration into the EU roaming area.
- **112 Emergency Number Implementation:** Member of the working group for technical and legal harmonisation of emergency services with EU standards and drafting the national 112 regulation.
- **Berlin Process (2026):** Member of the Organising Committee for the planning and execution of activities during Montenegro's chairmanship of the Berlin Process.
- **IPv6 Migration Body:** Member of the national body coordinating technical infrastructure and IPv6 protocol adoption across state institutions.

PROFESSIONAL EXPERIENCE

Acting Executive Director | *EKIP (October 2026 – Present)*

Executive leadership of EKIP; directing regulatory decisions, operator relations, sector management and institutional stability.

Manager in Radio Frequency Spectrum Management | *EKIP (2025 – 2026)*

Strategic planning and RF spectrum management aligned with European Commission and RSPG guidelines; drafting the National RF Spectrum Allocation Plan.

Electronic Communications Supervisor | *EKIP (2023 – 2025)*

Regulatory oversight of electronic communications operators, user protection enforcement, radio frequency interference investigations and compliance monitoring.

Chief Specialist for Fixed and Mobile Radiocommunications | *EKIP (2016 – 2023)*

Complex engineering tasks, electromagnetic compatibility (EMC) calculations, RF authorization issuance and developing regulatory fee calculation methodologies.

Senior Adviser for Radiocommunications | *EKIP (2015 - 2016)*

Technical documentation processing, operational terms determination and frequency fee methodology design.

Adviser / Associate Specialist | *EKIP (2010-2015)*

Processing of radio frequency applications, technical assessments and EMC calculations.

Metrology Intern | *Bureau of Metrology of Montenegro (2008 – 2009)*

Practical testing, calibration, and metrological inspection, including assessment of base station clock stability and related technical parameters.

EDUCATION & PROFESSIONAL DEVELOPMENT

- **M.Sc. Candidate in Actuarial Science** | *Faculty of Economics, University of Montenegro* | Master's thesis in preparation
- **Specialist Degree (Spec. Sci.) & B.Sc. in Electronics, Telecommunications and Computers (2004 – 2008)** | *Faculty of Electrical Engineering, University of Montenegro* | Telecommunications module
- **Specialised Training & Professional Development:** Completed a multi-month certification programme in Strategic Planning (Human Resources Administration); participated in international regulatory policy seminars organised by ITU, CEPT and BEREC
