Google is a Growth Engine for Europe

Providing technology and support to help millions of people and businesses grow online.

€20M

Google.org has committed more than €20M in grants to European non-profits. We provide grant funding alongside mentorship and training to help them accelerate their impact.

5.7 million developers

Android accounts for a total of 658,000 jobs in Europe. There are now 5.7 million developers in the world, and close to ¼ of these developers are European.

\$125M

Google Ventures is committed to investing \$125M in European startups. We provide venture capital funding to bold new companies, backing them with support in design, engineering, recruiting, marketing, and more.
