for Electronic Communications

BEREC
OFFICE

BEREC Office mission & tasks

BEREC Office is an
agency of the EU

What We Do

Our main task is to provide the **professional** and administrative **support** to **BEREC**, contributing to the **development** and **better functioning** of the internal market for **electronic communications** networks and services, such as “roam like at home”, open internet, intra-EU communications, 5G roll-out and many others.

We Also

Collect, exchange and transmit information

Report on the developments in the European electronic communications market

Establish and maintain registries and databases

Manage the common information system

Assist Working Groups

We cooperate with European Parliament, Council of the EU, European Commission and its services, other Agencies in the EU and Latvian Authorities.

Our Internal Auditor is the Internal Audit Service of the European Commission

The compliance of our actions is verified by the European Court of Auditors

Our annual accounts are audited by an independent auditor

Mission

The BEREC Office is an EU Agency supporting BEREC in the fulfilment of its mission to ensure the consistent implementation of the European regulatory framework for electronic communications.

To achieve this, the BEREC Office provides all necessary professional and administrative support for the work of BEREC, including financial, organisational and ICT services, and contributes to BEREC's regulatory work for the benefit of people in Europe.

The guiding principles that lead us to achieve our professional objectives are as follows:

Professionalism

Efficiency

Accountability

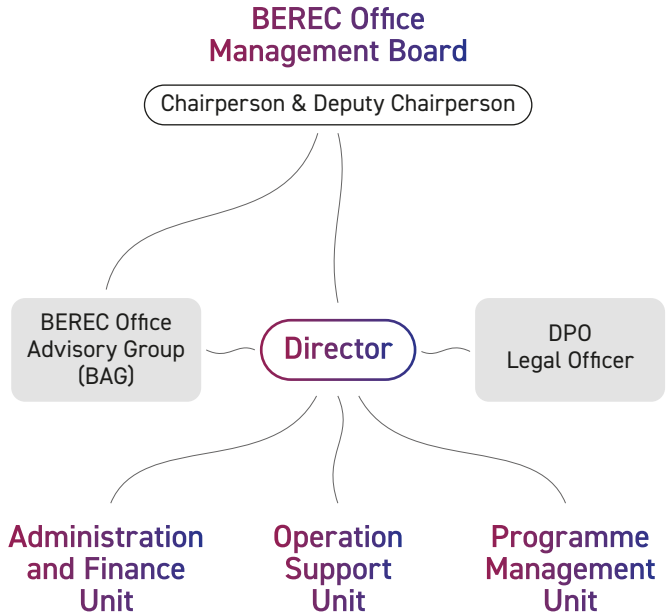

Teamwork

Diversity
