

Tijana Milovanović

Director of Telecommunications
Communications Regulatory Agency (CRA)

Tijana Milovanović joined the Communications Regulatory Agency of Bosnia and Herzegovina in December 2020 in the position of the Director of Telecommunications. Her responsibilities encompass all aspects of the regulation of the telecommunications sector, including licensing, policy-making and regulatory measures with the aim to provide telecommunications services with high standards and quality as well as affordable prices through the creation of a level-playing field in the telecommunications market of Bosnia and Herzegovina.

She holds a Master of Science in Information Technology and E-business along with having a long-standing professional experience in the area of telecommunications. Her previous work experience includes Development and Design engineering as well as positions as CTO and Telecommunications specialist in different companies in the private telecommunication sector of Bosnia and Herzegovina.
