

Ms Agnieszka Bielinska

Position: Legal Officer at the EFTA Surveillance Authority (Transport and Connectivity Unit)

The EFTA Surveillance Authority monitors Iceland, Liechtenstein and Norway's compliance with their obligations under the Agreement on the European Economic Area.

Agnieszka Bielinska is responsible for the connectivity portfolio at the EFTA Surveillance Authority, covering the electronic communications framework, postal services, cybersecurity, information society services and audiovisual media services.

Previously, Ms Bielinska worked at the European Commission's Directorate-General for Communications Networks, Content and Technology (DG CONNECT), where she dealt with the electronic communications framework and copyright.

Ms Bielinska holds a Master's degree (LL.M.) in EU law from the College of Europe in Bruges (Belgium).

Ms Bielinska speaks Polish, English and French.
