CALL FOR TENDERS

“Provision of Internet connectivity, e-mail, IP telephony and mobile telephony services”

BEREC OFFICE

Z.A. Meierovica Bulvaris 14, second floor.

1050 – Riga – Latvia

For the attention of:

Mr Isaac Jimenez Carvajal

Tenders must be placed inside two sealed envelopes. The inner envelope, addressed as indicated above, should be marked as follows: "CALL FOR TENDERS – NOT TO BE OPENED". If self-adhesive envelopes are used, they must be sealed with adhesive tape and the sender must sign across this tape.

The inner envelope must also contain two sealed envelopes, one containing the technical tender and the other the financial tender. Each of these envelopes must clearly indicate the content ("Technical" and "Financial").

Tenders must be:

- signed (preferably in blue) by a duly certified authorised representative of the tenderer;
- perfectly legible so that there can be no doubt as to words and figures;

The period of validity of the tender, during which tenderers may not modify the terms of their tenders in any respect, is 10 months from the final date for submission.

Submission of a tender implies acceptance of all the terms and conditions set out in this invitation to tender, in the tender specification and in the draft contract and, where appropriate, waiver of the tenderer's own general or specific terms and conditions. Submission of a tender is binding on the tenderer to whom the contract is awarded for the duration of the contract.

All costs incurred during the preparation and submission of tenders are to be borne by the tenderers and will not be reimbursed.

Contacts between the contracting authority and tenderers are prohibited throughout the procedure save in exceptional circumstances and under the following conditions only:

- Before the final date for submission of tenders:

- \* At the request of the tenderer, the contracting authority may provide additional information solely for the purpose of clarifying the nature of the contract.

Any requests for additional information must be made in writing only to [procurement@berec.europa.eu](mailto:procurement@berec.europa.eu).

Requests for additional information received less than five working days before the final date for submission of tenders will not be processed.

- \* The BEREC Office may, on its own initiative, inform interested parties of any error, inaccuracy, omission or any other clerical error in the text of the call for tenders.
- \* Any additional information including that referred to above will be posted on: [http://berec.europa.eu/whatsnew/index\\_en.htm](http://berec.europa.eu/whatsnew/index_en.htm). The website will be updated regularly and it is the tenderers' responsibility to check for updates and modifications during the tendering period.

- After the opening of tenders

- \* If clarification is required or if obvious clerical errors in the tender need to be corrected, the contracting authority may contact the tenderer provided the terms of the tender are not modified as a result.

This invitation to tender is in no way binding on the BEREC Office. The contractual obligation of the BEREC Office commences only upon signature of the contract with the successful tenderer.

Up to the point of signature, the contracting authority may either abandon the procurement or cancel the award procedure, without the candidates or tenderers being entitled to claim any compensation. This decision must be substantiated and the candidates or tenderers notified.

Once the BEREC Office has opened the tender, the document shall become the property of the BEREC Office and it shall be treated confidentially.

You will be informed of the outcome of this procurement procedure.

If processing your reply to the invitation to tender involves the recording and processing of personal data (such as your name, address and CV), such data will be processed pursuant to Regulation (EC) No 45/2001 on the protection of individuals with regard to the processing of personal data by the European institutions and bodies and on the free movement of such data.
