

Draft Agenda

for the 1st BEREC Stakeholder Forum Meeting

25 September 2013, Riga

1. Opening remarks

Leonidas Kanellos, BEREC Chair 2013

2. The electronic communications markets in Europe - the vision and challenges for the medium and long term

Moderator Göran Marby, BEREC Vice-Chair 2013

- Strategic perspectives on the European telco market (new technologies, market players, market structures)
- Future business models (netco, service provider, integrated provider, convergence fixed-mobile-content)
- Competition - investment - innovation: triad or dissonance?
- Consumer role in a multi-network and multi-screen ecosystem
- Strategic perspectives of regulation
- What are the expectations towards BEREC and NRA?

Keynote presentation by Professor Pier Luigi Parcu, Florence School of Regulation Communications and Media
