

Questions and Answers
regarding the call for tenders Provision of professional event
organisation services for BEREC and BEREC Office events

Question 12:

According to the conditions of item 2.3. technical and professional capacity criteria and evidence for submission of the tender for BEREC and BEREC Office events all applicants shall have an international event management experience.

Will the contracting authority accept the experience of a group of economic operators if the consortium leader has no international experience but this capacity is ensured by the other partners?

Answer 12:

The Contracting Authority would like to ask the prospective tenders to verify again the provisions of items 1.2. and 2.3. of the Tender Specifications.

The Contracting Authority would like to recall that only the Evaluation Committee appointed by the responsible authorising officer is entitled to assess the tenders against selection and award criteria and therefore any further assessments at this stage of the procedure it would be premature.
