Optional  
**30%**

BEREC is seeking proposals for additional projects. The assessment of the proposals will be based on the contribution to BEREC's high level strategic priorities. This discretionary part of the work programme should reflect the ambition of BEREC with projects that address concerns regarding our common key challenges.

You can send your proposals to  
[BEREC-WP-2022@berec.europa.eu](mailto:BEREC-WP-2022@berec.europa.eu)  
before 19 April 2021 (EoB).

**Title of proposal**

**Description**

The development that is intended to be addressed.

**Strategic priority**

How does the proposal relate to one of the priorities.
