

Annex I – BEREC Benchmark Intra-EU communication

5 October 2023

Annex I

For the fourth benchmark definition, BEREC used all the information on intra-EU communication services that were collected for the period 1 April 2022 - 31 March 2023. The updated BEREC benchmark enters into force with its publication and will be updated every October together with the Intra-EU communications benchmark Report. The BEREC benchmark is set to:

- i) 32.1 % for mobile calls
- ii) 20.3 % for fixed calls
- iii) 58.6 % for SMS
